The first scene:

Princess: And here is one from me, father. Happy Monarch's Day !

King Gregor : Thank you , Calla. I 'm overwhelmed by all these gifts.

Cavin : But you deserve them , Your Majesty. The whole kingdom loves you.

Sir Tuxford : Here is another gift, Your Highness. It was left outside the drawbridge.

King Gregor : To king Gregor, Happy Monarch's day. Put this gift on your battlement for good luck. Fond wishes. The Gummi bears.

Sir : That must be a joke , Your Highness. Everyone knows that Gummi Bears don 't exist.

Cavin : Yeah, a joke. Right, princess ?

Princess : Yes, of course. It's probably from some bachelor subjects.

King : Let's open it up ! Shall we ?

Cavin : What is it, Your Majesty?

King Gregor : It's a gargoyle .

Princess : Well, it's repulsive.

King Gregor : That's true. But repulsive or not, it is a gift and I don't want to offend anyone.

Here is it , Sir Tuxford. Place it over the courtyard gate. It's supposed to bring us luck.

The second scene :

Toadie : They took the gargoyle inside, Your Dukeness.

Duke Icthorn : Now tonight we will see what kind of luck comes to King Gregor -
good or bad.

The third scene :

Princess : But why would someone send a gargoyle to my father and sign it " Gummi
Bears"?

Tummi : I don ´t remember sending the king a present.

Grammi : That´s because we didn´t send one.

Tummi : Oh, good reason.

Zummi : What did the gargoyle look like?

Cavin : A little, with funny looking feet and big ears. A stupid smile.

Zummi : Sounds somehow familiar. I just can´t put my finger on it.

Princess : My father is so dear to me. And that statue makes me fearful somehow.

Cavin : Come on, Calla. It´s getting late.

Princess : Ok, I thought we´d better let you know.

Zummi : Bye, bye. I´m going to check the Big Book of Gummies. Just in case.

The fourth scene :

Zummi: Oh , this is bad. Very, very bad.

Sunni : What´s so bad Zummi ?

Sunni : Sorry, Zummi.

Zummi: Sunni, Sunni, quickly. Is there a full moon tonight ?

Sunni : Yes, I think there is. Why?

Zummi : Then King Gregor is in grave danger.

The fifth scene:

King Gregor : Are you missing a player ?

Princess : No, this way I'll never loose.

King Gregor : Well, don't stay up too late , Calla.

Princess : Oh, I won't father. Goodnight.

.....

Princess : Are you alright, father ?

King Gregor : Oh, it's fine dear. It's these old castles.

There is always something that needs fixing. Goodnight.

Princess : I've got a bad feeling about this.

The sixth scene:

Sunni : How can we stop the Gargoyle , Zummi ?

Zummi : If moon light brings it to life, I'm hoping this daylight spell can turn it back into a stone.

Sunni : But who could have sent it ?

Cubbi: Duke Icthorn, I bet.

Sunni: Go back, Cubbi. This is an important staff.

Cubbi : That's why you need a warrior to protect you.

Zummi: Look, there is no time for arguments. I just hope we are not too late.

The seventh scene :

Princess : Cavin, is that you ? This is better not one of your jokes ?

Show your face, you coward !

Gargoyle : Show face, show face!

Princess : Oh, father's gargoyle. It's been witched.

..... When I get my hands on you , you'll regret the day you were carved.

I've got you now!

Sunni : Wait !

Princess : What are you doing here ?

Zummi : We came to warn you about the gargoyle.

Princess: Oh, I know. He's in this hall somewhere.

.... I don't understand , Zummi. Where did this gargoyle come from ?

Zummi : It's a devious weapon created years ago by a wicked wizard.

I'm afraid Duke Icthorn found it and sent it here to harm King Gregor.

Princess: Quickly, we must stop it !

Zummi : If we can find the gargoyle, I think I can turn it back into a stone with this daylight spell.

..... Alright ! Look you three! Close your eyes ! The flesh will be very bright !

Zummi / shouting at the gargoyle/ : Come back with those !

Sunni : Can we look now ?... Oh, he's got Zummi's spell !

Cubbi : Let's get him !

Princess: Alright : Here is what we do. Sunni and I will go warn father. Cubbi, you and Zummi.....

Zummi : Where's everyone ?

Cubbi : He can't see without his glasses.

Princess : Cubbi, you take care of Zummi !

Cubbi : And get the spell from the gargoyle!

Princess : Cubbi, Sunni! Upstairs to father's room!

The eighth scene.

Cubbi : Come on ! Hurry up ! I 'm gonna bash and smash that little creak. You'll see.

Zummi : Not without my glasses!

Princess : Father's bedroom is just down this hall. ...Let 's push it up the window !

Nice gargoyle, handsome gargoyle. Give that pretty paper to Calla!

Sunni : Oh , pretty please. Would you like a sugar or toffe ?

Princess : We've got to get that spell or we will never stop that gargoyle.

Zummi : Be careful, Cubbi ! The creature is very clever !

Cubbi : There he is ! Stay here !

.... OK, where are you ? Now I am really mad.

Gargoyle : Really mad, mad.

Cubbi : Now i 'm gonna bash you ! ... Hey ! Give me back my sword or I will
bash you !

Zummi : Thanks heaven, you 're back , Cubbi. Did you get him ?

Gargoyle: No, bash, bash. Hey, what's wrong with your voice , Cubbi ?

Are you sure this is the right way , Cubbi ?

The ninth scene :

Princess : You can do it, Sunni.

Sunni : A little more... I 've got it ! Now we have to find Zummi !

Princess : Not really !

Sunni : What can we do ?

Princess : I don't know. If you call to him, he might fall.

Zummi : I wonder where I 'm . Oh, my glasses! How did I get in here ?

What will I do ? What will I do?

Sunni : Zummi , we are here!

Zummi : Sunni, I need my spell !

Princess : We will never get it to him in time !

Sunni : Sure, we will. Watch!

Cubbi : Send it for me , Zummi !

The tenth scene :

King Gregor: I can't see a thing. What's going on ! A bright flash woke me.

Princess : A lighting , I guess. Oh father, at last you're safe!

King Gregor : But I was in no danger , Calla..... Oh, these old castles
always need fixing.

.....

Zummi : Oh, this Gargoyle won 't give us any more trouble tonight.

Sunni : But what do we do with it , Zummi? It's still very dangerous.

Cubbi : Let's smash it into billion pieces !

Zummi : Oh, no no Cubbi. I have a better idea.

The eleventh scene :

Ogre 1: Pretty statue from the Gummi bears. It will look good in dukie's
bedroom window.

Ogre 2: He's gonna like that.
